## PERMISSIONS REQUESTS

You will need permission to use copyright material from the Cambrian Archaeological Associations's publications and incorporate them into new works.

We are only able to grant permission to reproduce material for which we hold the copyright. For material from our publications, the Association's permission is conditional on the author also granting their consent. For any material marked as the copyright of another organisation, you must apply to the copyright holder directly.

A charge or conditions may be applied, depending upon the purposes for which permission is requested.

To request permission, please contact the Editor (see contact details below), giving the following information:

- Details of what it is you wish to reproduce (eg text, illustrations, volume and year, page numbers, figure numbers etc)
- Details of where and how it is intended to reproduce this material (eg publication, type of publication, print run, website, exhibition etc).
- Name and contact details of author and publisher
